

Hot & Cold Stone Therapy

Approved CEUS for Texas Department of Health, Massage Therapy Regulation

The Phoenix Advanced Studies Program

The Course: A practical introduction to the use of hot and cold stones in placement and massage technique. Learn to incorporate stone therapy with your massage routine or as a stand-alone treatment. Give your client the “AHHH!!! Effect” by using a few stones or the whole set of stones. Learn how to sanitize and maintain the stones. Attend this fun and profit-making training for all therapists.

The Instructor: Orbie Ratcliff is a practicing Massage Therapist for over 15 years. She has served on the Texas Association of Massage Therapist (TAMT) as the Houston Regional Representative and is now currently the former President of TAMT. Mrs. Ratcliff’s practice consists of corporate chair massage, massage out calls, while also working in a Spa setting with Hot/Cold Stone therapy.
